

§ 160A-270. Public auction.

(a) Real Property. – When it is proposed to sell real property at public auction, the council shall first adopt a resolution authorizing the sale, describing the property to be sold, specifying the date, time, place, and terms of sale, and stating that any offer or bid must be accepted and confirmed by the council before the sale will be effective. The resolution may, but need not, require the highest bidder at the sale to make a bid deposit in a specified amount. The council shall then publish a notice of the sale at least once and not less than 30 days before the sale. The notice shall contain a general description of the land sufficient to identify it, the terms of the sale, and a reference to the authorizing resolution. After bids have been received, the highest bid shall be reported to the council, and the council shall accept or reject it within 30 days thereafter. If the bid is rejected, the council may readvertise the property for sale.

(b) Personal Property. – When it is proposed to sell personal property at public auction, the council shall at a regular council meeting adopt a resolution or order authorizing an appropriate city official to dispose of the property at public auction. The resolution or order shall identify the property to be sold and set out the date, time, place, and terms of the sale. The resolution or order (or a notice summarizing its contents) shall be published at least once and not less than 10 days before the date of the auction.

(c) The council may conduct auctions of real or personal property electronically by authorizing the establishment of an electronic auction procedure or by authorizing the use of existing private or public electronic auction services. Notice of an electronic auction of property shall identify, in addition to the information required in subsections (a) and (b) of this section, the electronic address where information about the property to be sold can be found and the electronic address where electronic bids may be posted. Notice may be published in a newspaper having general circulation in the political subdivision or by electronic means, or both. A decision to publish notice solely by electronic means for a particular auction or for all auctions under this subsection shall be approved by the governing board of the political subdivision. Except as provided in this subsection, all requirements of subsections (a) and (b) of this section apply to electronic auctions.
